## MIH1

### IN-EAR HEADPHONES

MIH1 are Mars Gaming first in-ear headphones, that with their original design in red and black keeps gaming appearence of Mars products.

Their ergonomics design and a variety of ear-cushion selection encourage use comfort and make them perfet for long gaming sessions. MIH1 also include a microphone, with noise cancelling system, to avoid unexpected noises to interfere with your games.

In spite of their small size, it´s striking the powerful sound they achieve. MIH1 have high-quiality neodymium drives, with premium bass.

Thanks to its double connection system MIH1 are highly compatible, so you can use it with PC, PS4, Mac, Smartphones...
